## GRADUATE ADMISSIONS

All applications for admission to the College at Cortland for graduate study by persons holding a baccalaureate degree from an approved college or university are processed by the GRADUATE ADMISSIONS OFFICE. (Not the Office of Graduate Studies) This regulation applies to those seeking full or part-time enrollment for any reason - in degree programs, in certification programs or courses and/or courses for graduate or undergraduate credit.

All graduate students who have not been admitted to the College at Cortland MUST FILE AN APPLICATION FOR ADMISSION TO GRADUATE STUDY - FORM R1 - immediately. This form must be returned to the GRADUATE ADMISSIONS OFFICE. Students should also submit the Health Report at their earliest convenience. Official copies of transcripts of undergraduate preparation (for those students who are not Cortland undergraduates) must be filed in the GRADUATE ADMISSIONS OFFICE.

It should be noted that "admission to graduate study" does not constitute "candidacy for a master's degree".

NOTE: ALL OFFICIAL DOCUMENTS FOR ADMISSION TO GRADUATE STUDY MUST BE ON FILE BY JUNE 17, 1974, IF A PERMIT-TO-REGISTER CARD IS TO BE ISSUED.

All graduate students who anticipate completing master's degree requirements within the next year should observe the following deadlines which are established for filing and payment of graduation fees:

December 1st - January graduates  
February 1st - May graduates  
June 1st - August graduates

Eligible students not meeting the above deadlines automatically will be placed in the next graduating class.

The degree fee (which is subject to change) is \$9 (\$14 if a teaching certificate is to be issued) and should be made by check payable to the Faculty Student Association and mailed to the Division of Graduate Studies. Summer session students should file a degree order card in the Division of Graduate Studies, Room 301, Miller Building.

## **ACADEMIC AND FINANCIAL INFORMATION**

### **STUDENT RESPONSIBILITY**

During the Summer Session, the principles and regulations governing course work and credit which are outlined in the College's Undergraduate Catalog remain in force. The College expects those who are admitted to carry out their responsibilities as students so that their work is a credit to themselves and to the College. Hence, the College reserves the right to terminate the enrollment of any student whose conduct or academic record is unsatisfactory to College officials.

All students attending Summer Session at Cortland are subject to the College policies which are in effect during the regular academic year.

### **CANCELLATION OF CLASSES**

The College expects to offer all regular classes scheduled. However, if enrollments in classes are as low as 10 students, the College reserves the right to cancel such classes and adjust the programs of students affected.

### **CLASS MEETINGS**

All regular session courses will meet each day - Monday through Thursday - except for the sixth week when classes will also meet on Friday, Aug. 9th, when final examinations will be held. There are some short session courses (two and three weeks) which may meet for a longer duration per day (consult the schedule for the exact time and dates of all courses). Evening courses meet twice a week from 6:00 p.m. to 9:20 p.m. for a three hour course; and 6:00 p.m. to 8:15 p.m. for a two hour course.

### **MAXIMUM ACADEMIC LOAD**

A full schedule of courses is interpreted as six semester hours in the six-week Summer Session (exclusive of laboratory credit hours and physical

education activities). If a student wishes to take more than the normal six-hour load, a request for a maximum of eight (8) semester hours during the six-week Summer Session must be approved by an Academic Advisor and the appropriate Division Dean.

During the Summer Session the same standards and marking system will be used as employed during the regular College year and described in the general College catalog.

Final grades will be mailed directly to the students at the close of the summer session.
